Reference:—

Memo No. D. Dis. 711-81 of 1940-41, dated 27th November 1940, from the Director of Public Instruction in Mysore, Bangalore.

The following rules in regard to the re-joining of school by promoted and detained (failed and unselected) students of the school are notified for the information and guidance of the pupils concerned.

1. The names of no detained and promoted pupils are to be automatically taken on the rolls and carried on from day to day even though they do not turn up. Until a pupil has actually attended school and taken his seat in the class, his name will not be entered on the rolls of the school. *Every detained or promoted pupil should join the school on the re-opening day* after the summer vacation, failing which he runs the risk of his seat being given to a fresh pupil.

2. If there is accommodation and the detained or promoted pupil joins the school *on or before the* 31*st May* he may be given a seat and not required to pay any admission fee.

3. If, however, the parent or guardian of the detained or promoted pupil requests the Headmaster that a seat may be reserved for his ward as he is prevented from joining the school on the re-opening day on account of illness (supported by a medical certificate) or in connection with any marriage or such other causes, a seat may be reserved for him till the 31st May (inclusive). If he joins after the specified date, he should also pay the admission fee.

4. Since this levy is a penalty for not attending the school from the date of re-opening, the collection amounts to a re-admission fee. Students belonging to the Depressed Class should, therefore, pay half the admission fee under this head.

5. The above rules, will come into effect from the beginning of the next academic year, *i.e.*, 1941-42.

S. SUNDARA,
Head Master.
